

# COVID-19 Procedures

www.esoartscenter.org

Due to the 2019-2020 outbreak of the Coronavirus (COVID-19), ESO Arts Center is taking extra precautions with the care of every client to include health history review and enhanced sanitation/disinfecting procedures in compliance with CDC guidance.

## Symptoms of COVID-19 include:

- Fever
- Fatigue
- Dry Cough
- Difficulty Breathing

## ESO is following these enhanced procedures to prevent the spread of COVID-19:

- Some group classes may require that student's **temperatures be taken** before entering the classroom or studio.
- **Masks are required** in all common areas of the building. Depending on the activity masks may be taken down in your workspace and put back on before exiting the building, using the restroom, etc.
- There should be **no materials shared**. Preferably, each student should bring their own materials which they take home.
- Teachers are responsible to **clean and disinfect** the classroom points of contact after every use.
- Class numbers will be limited to accommodate for 6-10 ft per student. In small classrooms class numbers are **limited to 10**. In the large studio **no more than 20 people** are permitted in the space.
- Everyone should frequently **wash and sanitize their hands**.
- **Parents waiting for their children should** avoid entering the building. A coned off drop-off and pick-up zone is in the front of the building, Please, do not park in front loop. ESO Has a free public broadband Wi-Fi connection that is best reached from your car on the west side of the building (near the side field.)
- If there is any doubt refer to the **CDC recommended guidelines**.
